

**TECHNICAL FILE:**

Junction box Ø108mm

**1.- Technical specifications**

Junction box for surface installation

Diameter: Ø108mm

Height 52mm

Manufactured according to IEC 60.670-1 and IEC 60.670-22

Fits 16,20 and 25mm diameter tubes

IP protection according to IEC 60.529: IP20

IK protection according to IEC 62262 :IK07

Internal volume: 286 cm<sup>3</sup>

Rated insulation voltage: 690 V a.c.

Usage zone: Indoor **2.- Material characteristics**

Main body: fireproof ABS

External part: Steel

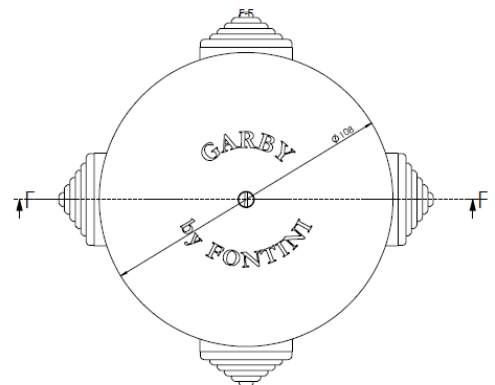

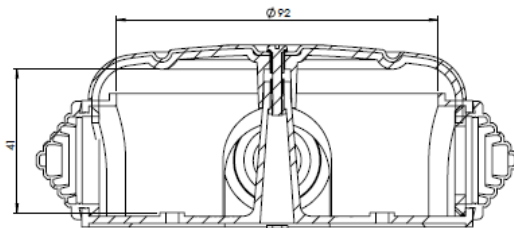

Surface: Brown powder coating

Glow wire test: 650 °C

Ball test: 70°C

Dimensional stability: -5°C to 60°C

Dimensions (size in mm)

# Garby Collection
